what makes
FBLAquiz possible

About

- FBLAquiz is a web application serving quizzes about everything FBLA
 - Questions about the FBLA organization, competitive events, history, NLC, and other topics
- Built for mobile, tablets, and desktops in mind
 - No matter the screen size, FBLAquiz looks nice and is easy to use
- Backend built with Flask (Python)
- Frontend uses Bootstrap for easy layout

Sample Screenshots

Top features

- For admins:
 - Easy Installation
